## Getting to Know and Use Lextutor

### Implementing the English Curriculum 2020

The English Inspectorate and ETAI are delighted to invite you to a special event in which Prof. Tom Cobb will present and run workshops on the use of the Lextutor web tool.

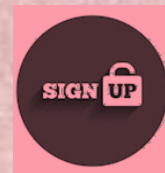

The event is the highlight of a well-invested process in which vocabulary for learning and teaching in school is defined. The Lextutor program enables advanced implementation of the defined vocabulary for a variety of purposes.

Looking forward to seeing you,

Dr. Tziona Levi and the English Inspectorate

This is a one-time opportunity to become familiar with an advanced web tool to enhance the learning, teaching and assessment of vocabulary efficiently and effectively.
